PRESS RELEASE

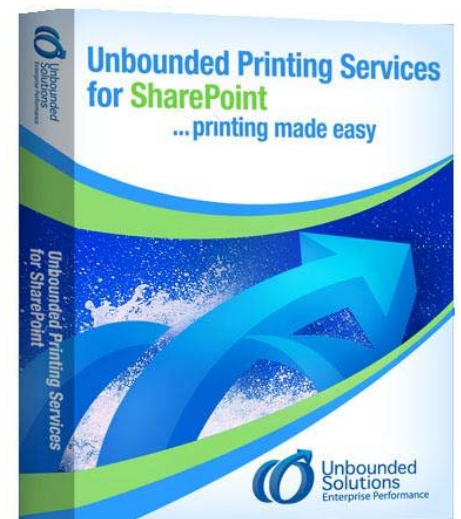

UNBOUNDED SOLUTIONS DEVELOPS A SHAREPOINT PRINTING SOLUTION...

The Atlanta based Gold Partner has created an end to end solution for Printing in SharePoint and is now releasing it to the market.

Atlanta, May 5, 2008: **Unbounded Solutions, Inc**, a leading enterprise content management solutions provider, today announces the release of its highly anticipated SharePoint Printing Solution. *Unbounded Printing Services for SharePoint* extends the SharePoint Document Library and list functionality to allow bulk and easy printing, thus improves productivity, efficiency and reduces the effort involved in manually opening and printing documents and list items individually. This products release solves the need for a MOSS printing solution in the market and was developed at the request of Unbounded Solutions SharePoint client base.

"We are excited about releasing this solution to our customers and those who have been in need of this functionality for a while", said Bharat Lalwani, Director of Product Development at Unbounded Solutions. "We have implemented this solution several times and certainly feel this is a value and efficiency add to any company using SharePoint."

This product release comes following a year of numerous accomplishments for Unbounded Solutions. In 2007, Unbounded Solutions was recognized by the INC 500, The Atlanta Business Chronicle, and CRN Magazine for its rapid growth and quality service.
