## PRESS RELEASE

### UNBOUNDED SOLUTIONS NAMED MICROSOFT GOLD CERTIFIED PARTNER...

*This partnership distinguishes Unbounded Solutions as a certified Microsoft consulting services and solutions provider*

**Atlanta**, March 1, 2008: **Unbounded Solutions, Inc.**, a leading enterprise content management solutions provider, today announces that it has been named a Microsoft Gold Certified Partner. Unbounded Solutions has been providing solutions and consulting services on Microsoft's software since 2001 and are proud to formalize the relationship with Microsoft as a Gold Partner. With experienced SharePoint, Dynamics, and Training teams already in place, Unbounded Solutions has positioned itself to provide quality services and solutions to Microsoft customers.

Microsoft Gold Certified Partners represent the highest level of competence and expertise with Microsoft technologies, and work in the closest relationships with Microsoft. Only those companies which demonstrate exceptional performance levels when delivering solutions that integrate with Microsoft technologies, and have a proven ability to meet customers' needs are granted Microsoft Gold Certified Partner status. By achieving this status, Unbounded Solutions now has access to specialized training and support, offering a competitive advantage to our clients.

"We are glad to have formalized our relationship with Microsoft on this esteemed level and we look forward to many years of helping our customers succeed with Microsoft's exceptional products and our employees ability to maximize them," said Calvin Renfroe, Manager of Marketing Operations at Unbounded Solutions.

The Microsoft SharePoint practice team at Unbounded Solutions consists of over 30 experienced, certified professionals who have experience in migrations, implementations, customizations and training.
